<td>Financial Procedure and Fiscal Accountability act 2019 to determine the responsibility of public Officials, Minister, Chief Accounting Officers (using resources and implementing program)</td>
</tr>
</tbody>
</table>
Other measures for Accountability

1. Code of conduct and code of Ethics to each public official

2. Public hearing organized inviting people, stakeholders, expert, local level government and civil society representative at least one in every 4 month,

3. Various tools can be used mobilizing CSOs, media, citizens and communities in budgeting, executing, monitoring and auditing to hold public leader and official accountable,

4. Participatory budget formulation, Simplification and Demystification of budget, Public Expenditure Tracking system, Community score card etc.
Audit of Users committee in Development Project

➢ Development project are implemented constituting user's group, specially in road, irrigation, drinking water, river bank protection etc.

➢ Hand holding with citizen in development.

Objectives

Participation, ownership, employment creation, accountability, transparency
Suggestions from Audit 2018/19

1. Legal action should be taken while subletting works to contractor by user's committee, splitting and assigning works more than limitation.

2. Complex and technical works should not be given to user's committee.

3. Only labor-based works should be given and heavy equipment should not be used.

4. Cost Sharing, quality of construction work, capacity building of user's committees.

5. Guideline should be prepared to regulate the works conducted by users' group.
Strategy of CSO Involvement and Progress

- Continuous engagement between SAI (OAGN) and CSO (Freedom Forum): Progress sharing, follow up meeting
- Follow up with Public Accounts Committee and Finance Committee, Ministry of Federal Affairs and General Administration
- Media coverage of meeting events highlighting the issues of users' committee (print media, online media and podcast)
- User's Committee Guideline developed by PPMO and Review conducted by OAGN
Strategy for Current Context

1. Virtual meetings and review due to lockdown
2. Training for journalists underway; Society of Economic Journalist Association of Nepal (SEJAN)
3. Data collection for media coverage to users' committee issues
4. Following the Guideline to know the status of the implementation of suggestions
Thank You
